## **Equality and Diversity**

We Worcester Dragon Boat Racing Club will make sure that we actively promote equality of opportunity and anti-discriminatory practices for all children. We will make sure that we treat all children with equal concern and respect.

We recognise and welcome all legislation and existing codes of practice, produced by appropriate commissions, for example the Equal Opportunities Commission.

We value and respect the different racial origins, religions, cultures and languages in a multi-ethnic society so that each child is valued as an individual without racial or gender stereotyping.

We will also not discriminate against children or adults on the grounds of disability, sexual orientations, age, class, family status and HIV/Aids Status.

We provide equal chances for each child to learn and develop to their full potential, taking into account each child's age and stage of development, gender, ethnicity, home language and ability.

We challenge racist and discriminatory remarks, attitudes and behaviour from the children in my care and adults.

We will always help children to feel good about themselves and others, by celebrating the difference which makes us all unique and individuals.
